Restore Yourself this Winter

The year seems to have flown by and within no time, the holidays will be in full swing. Don't forget to take some time this holiday season to preserve your balance and restore yourself. At Dr. Jhonny Salomon Plastic Surgery & Med Spa, we're continually striving to customize combinations of non-invasive and invasive procedures to create the most unique treatment plan for each patient. Our goal is to assist you with finding overall and complete balance and restoration. Read on to learn more about the advancements in both the non-invasive and invasive category we're excited about this Winter.

Surgical Spotlight | Breast Augmentation with HSC Implants

It takes a skilled plastic surgeon to create the right look and when it comes to breast augmentation, choosing the right surgeon is as important as choosing the right implant. At Dr. Jhonny Salomon Plastic Surgery & Med Spa we provide our patients with not only the highest level of service, but also the best choices in implants to ensure the most natural outcome.

Dr. Salomon uses HSC round and HSC+ (High-Strength Cohesive Silicone) shaped implants that utilize a gel fill technology with a formulation unique to each implant shape. [Read More...](#)

Advancements in Laser Technology | Tattoo Removal

The commitment one makes when deciding on a **tattoo** is not one to take lightly. On many occasions, individuals make this serious decision on a simple whim and completely disregard the fact they will ultimately be stuck with this piece of "**artwork**" for life. After the scabs have healed, a week, month, or year later is when it hits you; WHAT DID I DO!?! The thought of removing this once loved piece of artwork on your body seems daunting. The costs, the pain, the hassle all associated doesn't seem to make it worthwhile. What if we told you it could be removed from your life all together with a

series of painless non-invasive treatments? [Read More...](#)

éclat Medical by Dr. Jhonny Salomon

Developed by Dr. Jhonny Salomon, **Éclat Medical** is the most advanced skin care system available today. Its pharmaceutical grade ingredients are scientifically proven to support and stimulate healthy function of the skin by targeting uneven skin tone, hyper-pigmentation, age spots, fine lines and wrinkles, enlarged pores, acne, and environmental damage. Combining the best in prescription ingredients with powerful, all natural, botanical ingredients, **Éclat** is the best of both worlds! [Read more...](#)
